---------------

\*Priority applies: Club Sanctioned Tournament Matches - if there is no play then the court can be used for General Social Play.

\*Club sanctioned tournament matches must be pre-booked.

\*Coaches will endeavour to coach on courts 6/7, however, if they need to use another court, then please move off this court if asked to do so

\*\*This Category has Priority, otherwise court reverts to General Social Play (which is always doubles)

\*\*The Improvers coaching session is at the discretion of the Committee and so not always run

Please note that the Advanced Ladies practice has moved to Wednesdays 19:00-21:00 courts 2/3.
